

2023 International Conference on Environmental Quality Concern, Control and Conservation

May 4-6, 2023, Taiwan

Committee

Organized by

National Chung Hsing University, Taiwan
National Kaohsiung University of Science and Technology, Taiwan
The Chinese Institute of Environmental Engineering, Taiwan

Co-organized by

Seoul National University, Korea
King Mongkut's University of Technology Thonburi, Thailand
University of the Philippine-Diliman, Philippines
Bicol State College of Applied Sciences and Technology, Philippines
Mapua University, Philippines
Vietnam National University, Vietnam
Ho Chi Minh City University of Technology, Vietnam
University of 17 August 1945, Indonesia
Arizona State University, USA

Conference Chair

Distinguished Prof. Ming-Chun Lu,
National Chung Hsing University, Taiwan.
Prof. Chitsan Lin,
National Kaohsiung University of Science and Technology, Taiwan

Conference Co-Chair

Assoc. Prof. Siang-Chen Wu,
National Chung Hsing University, Taiwan
Prof. Chien-Chuan Shern,
National Kaohsiung University of Science and Technology, Taiwan.

Venue

The conference will be held at National Chung Hsing University on May 4 and Kaohsiung University of Science and Technology on May 5.

Call for Abstracts

Abstracts or posters are invited on any of the listed topics. Authors who are interested should submit an abstract in English to the Secretariat at the email addresses: ecq2023@gmail.com

In 2006, the EQC Conference was held first at Chia Nan University of Pharmacy and Science, Taiwan. This Conference was organized multi-nationally to exchange professional as well as academic experiences on the environmental issues of concern such as water, solid waste, hazardous waste, air pollution and environmental quality of different phases. There were delegates from Thailand, Philippines, and Korea participating in this international conference. Afterwards, the EQC is continually organized every year at Chia Nan University of Pharmacy and Science. In 2009 and 2010, the EQC was held at I-Shou University, and Chung-Hwa University of Medical Technology. In 2011, 2013, 2015, 2017, and 2019, the EQC was held at National Kaohsiung Marine University. In 2022, National Kaohsiung University of Science and Technology and National Chung Hsing University hosted the EQC conference. In 2023, it will continue to be jointly organized by both universities.

Topics

- Water, wastewater and solid waste treatment processes
- Surface water monitoring and modeling
- Groundwater modeling and remediation
- Green and sustainable remediation
- Wastewater reclamation technologies
- Solid waste management and treatment
- Hazardous waste management and disposal
- Air pollution control and pollution prevention
- Air quality monitoring and engineering
- Marine environmental monitoring and conservation
- Environmental quality monitoring, assessment and control
- Environmental legal aspects of concern
- Flood control and hydrodynamic modeling
- Marine monitoring and pollution prevention
- Resources recycling and sustainable engineering
- Climate change and disaster mitigation
- Ecotourism
- Architecture and design

Publication

All accepted abstracts and posters will be printed in the conference proceedings and published on the event webpage. Excellent papers are recommended for publication in Sustainable Environment Research (Impact factor: 4.309).
